

## # ■ Scroll Foundation Charter

### ## 1. Preamble

The Scroll Foundation is an **independent, non-profit, global entity** dedicated to building sustainable economic and social ecosystems.

It operates with full **transparency, accountability, and compliance** with Singaporean and international law.

### ## 2. Vision

- To **balance finance and society** through a dual model of **tokenized wealth + social credits**.
- To **empower underdeveloped regions** (India, Pakistan, Bangladesh, Afghanistan, Africa, etc.) by connecting them with **developed nations and corporations**.
- To ensure that **economic growth creates social harmony**.

### ## 3. Mission

- Build **ecosystem frameworks** for:
  - ■ Manufacturing industries
  - ■ Service industries
- Promote **international collaboration** for innovation and employment.
- Establish **blockchain-backed transparency** for resource allocation.

### ## 4. Independence

- The Foundation runs **independently**, free from direct political or corporate control.
- **Community, strategic investors, and public circulation** will guide direction via **DAO voting mechanisms**.

### ## 5. Alignment

- **Singapore Government:** Foundation is registered under **Singaporean law**, benefitting from its strong regulatory system.
- **International Laws:** Aligned with **FATF standards, KYC/AML guidelines, WTO, OECD, and UN frameworks**.
- **Local Laws:** All operations in specific countries comply with their **domestic regulations**.

### ## 6. Tokenomics & Allocation
